We are looking for new free range egg producers in the South-East of England

Long established family business that helped pioneer the growth in free range.

Part of a larger group, supplying major retailers with premium branded and own label free range eggs.

Very competitive prices.

If you would like to discuss further,
please contact **Adrian Potter** on **01845 578 376**
or email **sales@hoadsfarm.co.uk**
